**Programs**

**1. Support to nonprofit initiatives**

Domains :

» office launching and management - legal, administrative and financial issues - online communication and global marketing - event organization and diffusion - research, analysis and advocacy - monitoring and management.

Methods :

» consultancy package for our members  
» reduced prices on services  
» seminars and workshops

Policy :

» initiatives should be for public benefit, ethical, non-military, non-religious and with respect to good moral principles.

**2. Work groups per policy area**

Ultimate Circle work groups are aimed at gathering NGOs, institutions and civil society on common projects related to E.U. sectors.

Methods :

» regular meetings and round tables  
» mailing lists, document sharing and web 2.0  
» research and data collection (resources - experiences - competences)  
» analysis and document writing (study - policy - white papers)  
» communication and advocacy (web - events - networking)

**Team**

» full time managing director (independent professional)  
» part time managing deputy (independent professional)  
» various partners specialized in their competence field  
» volunteers and interns

**Budget estimation**

» 70 000 to 90 000 euros / year needed to start (team + events + daily expenses).
